My dear sweet brother, we are left with a life time of memories. For those are what will get us through the tough times. I have so many of the the days at the camp, me , you, Winston and the boys. Our own little shell beach we made, the camp fires you made for the boys and so much more. The biggest blessing was being able to hold on to you when you crossed over to your final home! Rest in peace brother, forever will you be loved.
