“ Sending my heartfelt condolences to Kent, Drew, Greer, all the Miano family and all who loved Ross. He was a special human being. So kind and compassionate. He never “met” a “stray” he didn’t want to take in and love. My “bestest” friend, “project” partner, recipe taster, co Godparent and “show” going buddy will be greatly missed. Deepest sympathy and love to you all.

“ I remember like it was yesterday, all through grade and high school of how Ross would make us all laugh until our stomachs ached. He always had a quirky joke or phase to say. He brightened many of my days at work we work as well. He was a good friend. A dear friend that will truly be missed. If only we would have had more time spent together. Our deepest sympathy and prayers go out to the Miano family.

Ross Miano you will never be forgotten. You were a great friend, always smiling and a wonderful teacher. Our "band geek" memories will always be treasured. You were my daughter's favorite teacher and mentor. Thank you for all that you brought to me, my daughter and everyone who knew you.

So sad to hear of his passing, he was a very special guy with a big heart. He & I had an hour+ conversation about a year ago. He kept me laughing the entire time. Heaven is going love having him there to brighten everyone's day. My son Zachary really admired him as a teacher.
