“ *My deepest and heartfelt sympathy to the family. Renee was my friend thru high school. She was funny and crazy in a good way. She was fun to be around. Although I have not seen her in a long time, but when I did she always had a lot to say. I remember her well. And will always remember the good times we shared. May all the good memories you shared with her bring you comfort in the days ahead, I pray God's love will bring you peace.*

“ *My deepest condolences to the Catoire family. I remember your Mom playing cabbage ball with my Mom many years ago. She was fun. Always a comedian. I think listening to her was alot more interesting than watching the game. My prayers for all of you at this time.*
