“ *Richard, I wish we could have shared memories in the future, but I will never forget the ones we were able to share in the past. I have thought of you and our talks over the past. I want you to know that I think of you daily, and I can only hope and pray that you are finally resting in peace. My heart breaks for all of the loved ones that were loving towards you. Until we get to meet again, watch over us. I love and will miss you forever. Love your baby sister.*
