As a Co-Worker, Uncle and Friend, I will miss Ricky dearly. Ricky was such a giving person, always willing to help anyone in need. When he returned to work with me at Audubon Golf at the Park, I saw him become the happiest I had in many, many years. He was excelling in his new position with zest and eagerness. He took to the crew so quickly they all were shocked that he was only with us for two months (they swear it was 6 months or more). Ricky was finally enjoying everything he did and was more calm and relaxed then I had ever seen him at work in the past 20+ years. He will be dearly missed, especially all of our discussions over the many topics we found interesting or needed. Rest easy buddy, we got it now.
