“ It has been a true blessing to have had you in my life as my husbands Granny and mine for the last 18 years as well as I have had the pleasure of your joy. I wholeheartedly believe that you are watching each and every one of your loved ones though the stars which I feel are not truly stars but rather openings for our loved ones in heaven in which they may watch down upon us protecting us each day. I remember the sunshine of the smile upon your face and your warm embrace on my wedding day as you welcomed me into your family. Your love and care for Logan was out of this world each and every time you saw him and wrapped him up in loving arms. Your memories and warmth will forever stay in our hearts until we all meet again.

“ *I remember spending many many days at my Granny' house as a young child. She always fixed me the best baths, and had the best food! I loved her cooking! She was always there for me! I love you Granny and wish that you had a chance to meet my girls. They knew who you were! I made sure to tell them about you and show them pictures. Hope you're now resting peacefully and that you're with Papa once again. Kelly Granier Leverton*
