“ Rolf was a great friend from the golf course. The thing is it seemed like every time I went to Walmart I could always count on bumping into him, which would then get us talking about all of our furry kids and how things were going! I could always count on the kind words he would always have to say and of course him wanting to know how my wife was! He will be dearly missed!

I am so sorry to hear this. I worked for Rolf at Shell Oil Norco. He was a terrific boss. Kind, soft spoken and caring. He always had the friendliest smile. After I retired I would see him in the community and he always took the time to talk to me and inquire about how I was doing. I will truly miss him. He was one of the finest men I ever knew.

I just found out of his passing (I thought he was out west visiting his sister) and I am so saddened by the news. He would always sit near me in Church and talk with me afterwards. You will be greatly missed Mr. Rolf. Rest in Peace.
