“ *When I think of Roz, I think of her hard work to make our 50th Leon Godchaux Class Reunion such a success. She loved her family and I hope all of you will find comfort and peace as you recall happier memories. Nan Holmes*

“ *Roz, I will never forget your kindness and generous heart. When mom was in hospice and you called her I know she heard every word you said. It was very peaceful and showed me and my sisters the love you shared for her. I know she met you with arms open along with the rest of our aunts and uncles. I will surely miss your FB posts and pictures of your dogs. You were one of the best cousins I could ask for. May you Rest In Peace. Lots of love your cuz Deborah.*

I will always remember my cousin who spoke her mind and didn't care if you liked it or not. Such a strong and loving woman who was so proud of her family. I will miss you when I come down to Louisiana so my granddaughter Lucy can meet her family. I know you are at peace with all our family on the other side. Love you Roz...
