“ We moved to LaPlace in 1985. Sandra and my other neighbor Billie opened up their hearts and homes to my kids so they were safe and beginning to make lasting friends while we unloaded the moving truck. And mind you this just after hurricane Juan had just moved through. Sandra thank for your overwhelming kindness and sharing your true spirit of love and treating everyone with love. You were truly an amazing Southern Lady.

“ My heartfelt sympathies to Leslie and family. I have known this family for over 25 years and I can't begin to say enough about Sandra and Leslie and how great they were together. These two were each other world and was always so willing to help others. With Sandra love and guidance, she will provide a way for all of her family to get thru this, although it doesn't seem like it now. My thoughts and prayers go out to all of you and if there is anything I can do during this time, please know I am here for you.

“ We grew up in the same neighborhood in Sunset, and I have many fond memories of Sandra and her family. Sandra had such a sense of humor; she could really make me laugh out loud! Although we didn't see each other much after she graduated from high school and moved from the area, we managed on a few occasions to catch up on old times through email or phone conversations. Tommy, my husband, and I enjoyed a very special visit in Norco at her home a few years ago. When we met on that day, all the years that had passed by seemed to roll away and although we were now senior citizens, we could have been teenagers again in Sunset. I'm so glad we spent that time together. I would like to offer my condolences to all of Sandra's family members. May the Lord console you and may Sandra rest in peace in the love of the heavenly Father. Bonnie Taylor Barry
