“ I've known Ms. Sandra and her family for over 50 years. She treated me like one of her own in many ways. On a hot summer day, she would fix sandwiches and kool aid for us. Her two sons, Todd and Scotty and I hung out many days, we were best friends. Rather we were swimming, playing baseball, playing football, watching the Miami Dolphins on TV, catching a turtle out the ditch, sleepovers etc. Ms. Sandra always looked after me like one of her own. She would also take her slippers off or used the broom to whack me when I needed it. I remember telling my mom one day that Ms. Sandra whacked me... My mom responded, " I'm sure you deserved it ". She was always very good to me...My heartfelt sympathies to Todd, Scotty, Robin and Terri ... R.I.P. Ms. Sandra...
