“ So sad to hear of your loss. I have only good memories of Larry Joe at many family functions during his growing up years. He was always full of life. My heart goes out to the family. May you find comfort and peace through our Savior and Lord Jesus through this time.

“ As we go thru life, in such a hurry, we meet people and then in our haste we lose touch. I have had the pleasure of working with Sean many times. I only now found out that he has gone to be with God. I am saddened for the loss of his family. I will be 56 this year and have begun to look at each new day as a blessing. Sean may not be here with us any longer but he will not be forgotten. Peace and blessings to all.

“ My condolences go out to the family. Sean, along with Ms. Cherie, gave me an opportunity to work for his company a few years ago. I am forever grateful for that. In that time, I could how personable and authentic Sean was. He was a great teacher and he knew his trade (Telecommunications) so well. He will truly be missed.
