Mom, you will be sorely missed and loved forever. God has acquired another beautiful Angel and may your soul rest in peace. My Mom's response to use all would be:

I am home in heaven, dear ones; Oh, so happy and so bright! There is perfect joy and beauty in this everlasting light. All the pain and grief are over, every restless tossing passed; I am now at peace forever, safely home in heaven at last. You must not grieve so sorely, For I love you all dearly still; try to look beyond earth's shadows, pray to trust our Father's will.
