

Shaun Matthew Van Camp

January 6, 1979 - November 1, 2025

Shaun Matthew Van Camp passed away on November 1, 2025 in Laplace, La, at the age of 46.

He was born in Marrero, La, and attended Johnson Ehret High School and East St. John. After high school, Shaun worked for Cajun Electrical Supply Inc. with his father and other family members, and continued to do so for the remainder of his career.

Shaun was naturally curious, and loved to learn. He dedicated much of his time to learning about medicinal plants, mental health, politics, and better ways to help those around him through developing new levels of understanding, as well as coping skills. He was someone who truly wanted to make life better for those around him.

More than anything, he loved being a father to his two sons, Jaden Van Camp and Jax Van Camp. They were his entire world. He spent countless hours with them outdoors recording their adventures, exploring nature, studying plants, fungi, fishing, and weapons, as well as how to properly handle them. He enjoyed teaching them about all of the things he loved.

If you ever met Shaun, you know he had a great sense of humor, a big heart, and a unique way of seeing the world. He had a deep appreciation for the beauty of what God gave us. We will deeply miss everything about him.

Survived by his two sons Jaden and Jax Sornito Van Camp; their mother Ida Sornito; his father Robert J. Van Camp (Terri); Tanya Bell (His Love); brothers Jeremy and Kevin Van Camp; sisters Kristy Dyess and Monique Martinez; nieces Brianna and Brandie, Tiffani, and Falon Dyess; nephews Kyler, Blaise, Easton, Anthony Surmik, Ryan, Forrest and Colt Dyess. Preceded in death by his mother, Elizabeth Chaisson; maternal grandparents, Erica and Wilber "Woody" Chaisson; paternal grandparents, Robert E. and Emilia "Tunie" Van Camp.

ME

“ Shaun was a light in the dark for me. I never met him in person but we both cared and loved for his dear friend Abe Dean who passed away 2 years to the day. I reached out to Shaun to tell him I would like to give him some of Abe's things and he was the nicest person I ever talked to. He really was understanding and caring and we instantly clicked. I then understood why him and Abe were friends and why I would always see Abe smiling and laughing at his phone going back and forth with Shaun. They were both hilarious and beautiful souls that I was lucky to have had a part of my life. Shaun always made me laugh so hard even on really hard days and I'll never forget him or how thoughtful and compassionate he was about Abe and the situation or how he made me laugh on days that we're almost unbearable to cope. Thank you Shaun for caring for and loving Abe as much as I did. Thank you for accepting me and understanding our situations and being supportive. I'll never ever forget you and your contagious laugh, smile, voice and jokes and just the way I could feel how big your heart was. Rest easy my friend till we meet again. Give Abe a big hug for me. I would like to send my condolences to his children, love, family and friends an amazing soul gone too soon.
