“ Dr. Billy was a very caring doctor and played a large part in our community for so many years. My family felt very close to him and Vianne. My mother, Beverly Montz, worked for many years with him at Laplace Medical Center. My deepest condolences to his family as they go through this difficult time. He will be missed but we will be comforted by the many wonderful memories of his life.

“ My dear Billy (my dear Vianne), I bless the Lord for having put you on the path of my life. You were so important to me when I met you, I was 16. The long exchanges we had together strengthened me and you contributed to what I have become. You've always been so welcoming, so full of love. You have a wonderful family. A deep friendship has developed with your children, and I have enjoyed looking after your grandchildren. Always in my heart. I will never forget you.

“ *The Hebert Family has a wealth of fond memories with Billy and Vianne. They were a couple that exemplified generosity and love. Our parents held closely the many ski trips shared in Crested Butte. We also enjoyed the generosity of using the condo for our family ski trips. We are sending our love and condolences to each of you. Love, Pete Hebert and Family (Tom, James, Anne, Teresa, and Paul)*
