“ *Stephen was a former bother in law of mine while he lived in Baton Rouge, We became very good friends and he also became very close to my mother and dad and particular to my Dad. My Dad always thought of Stephen like a son, and in fact Stephen was one of the pall bearers at my Dad's funeral. With that hot temper and no nonsense approach that Stephen always I think it sort of reminded my Dad of himself when he was young. My Dad often shared stories of my himself and Joe Duhe with Stephen while they were room mates living in New Orleans. Stephen and I used to play golf, and compete with each other in bowling, and eat some crawfish and have a few beers together while he lived in Baton Rouge. I was very sad when he moved and left Baton Rouge and we gradually lost contact over the years, but I have always tried to stay in contact with him through his son Heath.*

I always saw Stephen as a straight off the shoulder guy that was a good and true friend and was someone you could always trust count on and trust when needed. I last spoke with Stephen about 4 or 5 months ago when he told me of his sickness.

Stephen Hotard will be greatly missed by me and all who knew him.

May God Bless and give him rest.

Connie and family of Steve. He was a great guy to work with and such a compassionate person. He did a great job here on earth and his reward is now. I know you will miss him, but God is now enjoying his company...like we enjoyed it here on earth. Fly high my friend. Kerry Chelette

Connie, I am so sorry for your loss. Steve was a mentor to me and many others when we went to the Royalene board. He had a way of explaining things that made it easy to understand. Steve sense of humor was great and he will be missed.
