“ *These past 2 years we became very close , I'll never forget our talks laughs and tears..I was happy to be there when u needed to talk, you always felt not good enough but as I told u, I'll say it again, your children are a gift to my life, thank you for letting me be a huge part of their life, our best years were spent as neighbors..your special then and always will be brother n law, you did good and I hope you always remembered what I said..your enough . You surely will be missed, your missed already. We are taking it hard that God was ready for you but through your children and grandchildren your legacy lives on..you are a great person Steven, we may have bumped heads a time or two but we always forgive one another and I wouldnt have asked for a better daddy for my nephew and nieces and a special gratitude for my Godchild whom u and my sister let me feel motherhood by spoiling her and guiding her, it hurts because she is torn, but steven, I know she has a guardian angel, they all do, you have a great love for your kids, again, u did good, until we all meet again in the kingdom.*
