“ *How am I going to say goodbye to a man I had the honor of sharing with so many people. You had a heart of gold and never met a stranger. I miss you terribly. I hope I am making you and the boys proud. I love you to the moon and back. Continue to guide us and watch over us. Until we meet again when we are reunited in heaven. I love you.*

“ Steven you are my lil brother. The youngest one of us all. Your light burned out way too soon. You were always a jokester. Every time I asked you how you were feeling you told me with your fingers. I was happy that I spent that day with you at the hospital because we talked for a long time. I wish that I could have done more but Covid stopped me. I am sure that you have already gotten your wings. Because you earned them way before you went to heaven. 56 years was not long enough to have you as my brother. I promise I will be there for Marie and the boys. I love and miss you so very much.
