“ Thank you God for the beautiful life of Stormy. Though she is no longer walking life's journey with us, we know she will live on in the amazing memories she has left us with. Embrace in your loving arms all who are grieving this loss, though deep down we know that Heaven has gained an angel. Be with everyone in their sorrow, hold them with Your strength, and through the love of others may they know they are not alone in their struggle today and in the days that follow as they say not “goodbye” but “I'll see you later.”

“ There are so many memories to share of my wonderful, larger than life cousin and friend. I remember growing up in LaPlace and biking back and forth between our houses, playing in our own forest and building our secret fort. Best of all was our special dance that we made up to Dolly Parton's 9 to 5 and our many trips to the skating rink. Although we went to different schools, our senior prom ended up on the same night, so we celebrated together before and after. And let's not forget the NKOTB concert she took us all to for a GNO. Oh, the memories are many and you will be forever missed. You were my rock, the person I looked up to and wanted to most be like. Until we meet again, Sunshine, always in my thoughts and prayers. Love you always, cous.

“ I don't remember my life without Stormy in it. We met 45 years ago & she became my best friend. We may not have always hung out but we NEVER loss touch. We were always there at the drop of a hat, for one another. Stormy was so dear to my heart. I can't imagine her not being here. Our 45 years of memories will keep me smiling until I see her again! She was such a joy in life🌈☀️ Praying for her children & her family, who I love very much & who I've always considered family! I have been blessed with such a wonderful friend💕

I'll get Raine for you....and the rest is history ...Stormy n Raine...Dee n I became forever friends....even when our lives went different ways...
