“ Teckla was a wonderful and loving person. She was so good to our family when my husband started working at ESJ. She was so sweet to my daughter and always went out of her way to make us feel welcome. She and Amy treated us like family. God Bless to the family. Laurie and Phillip Banko

“ We were friends and had cheerful and fun times in high school. Graduated together in 76. Kind of lost touch till we found each other on fb and we're friends again. Got to see her and meet her husband at the 40th class reunion and catch up some. We kept in touch. Was blown away to find out she had cancer then so suddenly pass. She was a wonderful, sweet, crazy lady. Was blessed to have her as a friend. Will miss her. RIP Teck...🥹💔

“ I will miss you forever. You were a wonderful co-worker and a fun person to do things with. I remember our trip to the Casino where we got lost and ended up laughing until we got home again. I will hang on to our three separate conversations on the phone when you found out you had cancer. Those were words of comfort for both of us. . You collected angels and they carried you up to Heaven. RIP my friend, and dance with the angels now.

“ *Teckla was an amazing caring and strong woman, who loved her ESJ family, her seniors and most of all her family! She was proud of her children and grandchildren and her greatest moments were when she was with them. She was also proud of her siblings , their accomplishments and the family moments that they created. My memories of Teckla are of the joy she created for so many others— she will be sadly missed by many, but I find some comfort in knowing that she is with God and no longer in pain.*

I found this quote that I think embodies the spirit of Teckla :

“A strong woman is one who feels deeply and loves fiercely. Her tears flow just as abundantly as her laughter. A strong woman is both soft and powerful. She is both practical and spiritual. A strong woman in her essence is a gift to the world.”

She was a gift to all of us! Will miss you Tec— but I know God has you now!

“ Dearest Teckla - It is crazy imagining you not here, our family's started out back when my brothers played for LEBRO!! That was over 30yrs ago. You were always my accompanying cheerleader when we'd scream and cheer the boys on, your wardrobe was always black and yellow/gold and only continued as you made your way into East St. John High School. You impacted thousands of students, gave it to them straight and even made them sweat!! You were transparent in how you cared for people and honest in your words. You will be missed and I am only sorry that I didn't get a chance to say goodbye. May the Lord provide you family strength throughout the very difficult time and may they always remember your vivacious laugh and beautiful smile!! Until we meet again my friend!! Much love - The Leal-Ross Family.

*A joyous farewell to Ms Teckla, the REAL "Glue" that kept ESJ upright, for many years!
Her undying loyalty, and willingness to "toil in anonymity", so that others could "shine", was her trademark.
Thank you Teckla, for the 9 years we worked together, during my time as AD/Head Football coach at East St. John..
Great appreciation for your dedication and LOVE of EVERY person who was fortunate to accept your friendship.
WE HAVE LOST A JEWELL- WHO CAN NEVER BE REPLACED!
God bless,
Coach 'Doe*
