

## Terese Alayne White

July 25, 1958 - November 2, 2020

Terese Alayne White, 62, passed away in her home on Monday, November 2, 2020. "Alayne" was born on July 25, 1958. She attended Grace King High School. A resident of Reserve, LA, she worked for Bert Fife & Associates and later for Baxter before her health began to slowly deteriorate. Alayne loved children! With much joy and commitment she cared for those at Betty's House for Children. She began attending First Baptist Church of Norco in 2009. This was the beginning of many Gospel conversations as she began to grow in faith. She was a fiery redhead who loved to laugh and have a good time. Though physically she suffered much, she was the type of woman who never met a stranger. She was generous with the little she had, and was loved by her neighbors and friends. Her home was famously decorated with frogs (an avid collector) and photographs of her children and grandchildren who lovingly call her "Mimi". She is survived by her mother Mary Duckett, her daughter Alicia Breaux (Scott), her son Zoe White (Chelsea), and her daughter Angel Duhe. She is also survived by her 9 grandchildren Kinsley, Zuri, Addison, Cruz, Crosby, Azalea, Gavin, Zinnia, and Zion. Alayne is preceded in death by her beloved grandson Ezra White.

A Memorial Service will be held on Saturday, November 7, 2020 at Millet-Guidry Funeral Home, 2806 W Airline Hwy, LaPlace, LA 70068. Visitation will be from 11am to 1pm, with a Celebration of Life Service at 1pm. An online guestbook is available at [www.milletguidry.com](http://www.milletguidry.com)

“ *Miss Alayne o how we will miss you. Who knew that all those years ago when you moved in across the street that you would become a part of our family. You always had a big smile on your face and had no problems speaking your mind which was one of the things I loved most about you. It was never a dull moment when you were around and I will miss you at our family gatherings. You were a wonderful person and always found a way to look at the brightside of things. I'm glad we got to spend time with you while you were here and im thankful for the friendship you and my mom had, it meant alot to her. You were the type of person that would give your shirt off your back to help someone out and in today's society thats hard to find. Thanks for always treating us like we were your own and you will be sadly missed. Gone but not forgotten, love u!*

“ Alayne was not only a caring neighbor she was also consider a member of my family. She was very much aware of what was happening in my life, my children and grandchildren's lives. Everyone in my family loved her. My granddaughter,Haven who is 3 would come visit and always would ask.... where is Miss Alayne? She would see her outside sometimes across the street say "Hey Miss Alayne". Alayne would always make sure she told Haven hello and would say" I love you". She had a big heart and would do anything for you without question! I will miss seeing her and having her walk over to my house at any time. She was always welcome and she knew that. She adored her children and grandchildren and loved talking about them. They were her greatest accomplishments! Gone but never forgotten. Love,The Mire Family

“ She loved her babies & grandbabies so much. She was so proud of Alicia, Angel & Zoe & always wanted the best for them. Her grandbabies were her heart. She was a very giving person & always thought of other people. When she was healthy she would do all she could to help anyone that needed it. After her health declined she would ask about others even though she could not do much for them. Rest in peace & fly high my sweet friend. Will always remember our time together. Love, Annette
