“ To Patsy and family. Terry will be missed not only by his family but the many friends he had. I would like to share these memories with you. Your father and I were very close in high school. We played football together. We fished together with other classmates. We also started a ruckus in our senior year when we were given permission by principal E. L. Grainer to ask our girlfriends to be maids in the home coming court. Both girls did not attend LGHS. Patsy and Terry were dating at the time. That permission was rescinded after several mothers besieged Mr Grainer. I also stood in Terry and Patsy's wedding. Do you remember that Patsy? Sharon and I prayed that he would be okay after his surgery. Do you also remember he gave me a Wildcat plaque he made at our class luncheon at Middendorf"s. I have that hanging in my room.

Our deepest Sympathies,
