*I miss you so very much, your smile, laugh, voice, scent & the twinkle in your eyes. Our chats and conversations, the I love you's, the text messages and the phone calls. The visits, and everything else I can't think of at this moment. A piece of me died the day you passed away, I know you didn't want me to be sad but you were my baby and my sunshine. I will always love you. For ever and ever always, Mom*
