“ Dear Todd, Michelle and family,
Since first learning of Michael's health challenges, Mike and
I have prayed and thought of him often.
Words could never adequately express the sympathy we
feel for the loss of your beloved son. It's difficult to even
imagine the pain and sadness you must be feeling during this most difficult time.
As parents ourselves, it is difficult to even conceive of losing a child. Please know
that we hold you in our hearts and prayers. May the precious memories of
Michael's life sustain you until the day that you are once again reunited in our
heavenly home.
God Bless and Keep You as you mourn Michael's passing while also celebrating
his life.
In His Love,
Mike and Rita Chisum

ago. I can only imagine what you and your family are going through right now. I
will not be able to come to the services, but please accept my prayers and
