“ *Although, I did not know Ms. Velda well, she impressed me as a kind, generous, and busy woman. It was because of a flyer she had created (by daughter presumed) for the local AARP Reserve chapter prompted me to join. And through attending both AARP chapter meetings, I was a benefactor of her generosity, because she give the attendees one of her hand made angels, which is now part of my holiday decoration. Just wanted you to know that your mother touched a stranger in a positive way. Ivy Mathieu*
