“ Blessed to have known her. The few times I saw her she was full of life, love and smiles. Still remember our first trip together to La Place to visit them. Think we wrapped Bob in toilet paper when he fell asleep in his recliner. While leaving Ty just about broke Randy's finger shutting the door to the car. (great first impression 😂)

Remember dancing with Verle at Bobby and Karen's wedding all night. Good people and happy they were and are a part of my life. RIP Verle and my condolences to the loving family
