“ *I am just reading this now and I want to express my deepest sympathy to the family. Living practically across the street and working the Ruiz Dairy Sweets since 7th grade summer throughout my high school was the most enjoyable first working experience and one I treasured. Your mom and dad taught me well and I always thought the world of them. She lived a long life and was a blessing to her family I'm sure. Rest in Peace 🙏 Sincerely, Cherie Dufresne Hackney*

“ *So many great memories of Aunt Verna Mae - one of her great qualities was - when she asked "how are doing?", she really wanted to know. You would see it in her face and response.*
