“ *Amy,*

*I never met your mother, but I still wanted to offer my condolences to your family.*

*I remember you from high school as a kind, good-natured young lady who was also very humble. You sat right across from me in 11th grade chemistry class and didn't mind admitting when you hadn't done well on a particular test. Someone with those qualities has to come from wonderful parents.*

*I am sorry to hear about the passing of your mother. Stay strong during this difficult time.*

“ *My heart is heavy as I received this news today. Ms. Veronica and I would always have some tender and spiritual conversations. She always would ask me How I am doing in retirement and would really listen. At work she was conscientious and caring. She will be greatly missed. Well done, good and faithful servant now go home to receive your just reward.*
