“ *I also have so many great memories of Walter from many years growing up on Thirba Street. But my most memorable times with him were after he was discharged from the Navy and returned home.*

Walter and I decided to share a brand new apartment, where we had many good times and enjoyed a great friendship.

It is hard to believe that I will never hear his chuckles and laughter again. I wish him fair winds and following seas.

“ *Walter and Louie grew up together, and they were very good friends. After Louie and I got married, Walter became my good friend, too. He was always there when one of our girls was born, he worked for us at Evans Supply, and he came over on special occasions. When we bought our new boat, he was the first to see it. He was such a great friend, and when his dad was alive, he also worked at Evans Supply. We did a lot of things with them. He will be missed dearly by our family. Walter, we miss you already! Our prayers are with you and your family.*
