“ *I had the honor of being Wanza's pastor for nine years. Her outlook on life was amazing. Her generosity and love for others was legendary. We shared a love of pansies. I pray that she is now walking through fields of them!*

“ Mrs. Wanza was always a very nice lady. So thoughtful and caring. I will miss her smile and small chats over brunch after Church on Sunday. The last conversation I had with her was when Victoria was selling her annual Girl Scout cookies and she had called us to go in so she could look at the order form. She asked about Mom, (Sara) and told me it was hard for her to get out and about. She told us to tell Mom that Wanza sends her love. We wrapped up the order, left and went straight to see Mom and tell her what Mrs. Wanza told us to say. I will always remember that and the sweet cards she would help send out with the Joy Circle Club. I have faith that she is reunited with her friend again in Heaven. Mr. Bo, I can't imagine what you are going through right now at this very difficult time and not being able to be surrounded by your family & friends. Our heartfelt condolences go out to you, your son, daughter-in-law and grandchildren. Your FUMC Family has you wrapped in prayer. 🙏🙏
