“ *I never had a class with Dr Caire but he was always there to cheer me on at football games and wrestling meets. I'm so happy he got to come to my college graduation party back in 2018. I'm grateful to have had him in my life to cheer me on. He always asked my mom how I was doing when she would see him at DLS events. He truly embodied what St John Baptist De La Salle said a teacher should be. I will miss him and hope I continue to grow and make him proud.*

“ *My condolences to all the loved ones of "Doc Caire". What a beautiful, venerable, gracious gentleman he was! I had the honor of knowing him and serving on faculty with him at De La Salle. He was always respectful and a blessing to me. I believe he now enjoys the rich rewards of a life well lived. Thank you, Doc. Thank you God.*

“ 2.14.2022 - Rest In Peace, Dr. Warren Caire. Dr. Caire was one of my favorite teachers at De La Salle. He not only taught me years of Latin (took four years - he taught me for three), but he taught me and my fellow students what it meant to be Lasallian. He was always so supportive of me and the band, and he always would lend an ear when needed. I'm so happy to say I was one of his students. P.S. If you see my brother up there, give him a hug for me. ❤️ Eternal rest grant unto him, O Lord, and let perpetual light shine upon him. May the souls of all faithfully departed, through the mercy of God, Rest In Peace.

“ Dr. Caire was a wonderful example of a Christian gentleman. He was kind, considerate & thoughtful. He did a lot for De La Salle but never sought the limelight. He left everything he was involved in better than he found it.
