“ *Just reviewed my Facebook page, and noted my submission a month ago to the "Simple Louisiana Boy". I did not know Weston, but wouldn't this world be a better place with more "simple" people. Sincerely, Ron Bimes*

“ I am still trying to process all of this. Weston was a "brother" to all of my kids and like a son to us. And he loved our grandbabies so much! He was a person who touched our lives greatly. Always a smile on his face, a joke or story to tell to make us all laugh. He was ALWAYS there to lend a helping hand when you needed something. I loved when he sat down to eat when I asked him if he would like to join in. He truly enjoyed that! I could go on and on. To his family, I just want to say thank you for sharing him with us. His presence will be missed but I have comfort knowing that will be watching over everyone just like he always did. I can see him embracing his mom and daughter with a big bear hug and a great big smile. We love you Big Wes and there will ALWAYS be a special place in our hearts just for you!
