“ I remember Bill's joy in participating in the little theater productions, and in the community. He had such fun, and contributed in such a sweet way. You were a great sister to a great man. I'm so sorry for your loss, Kathy.

“ Very saddened by this news. But I am also very happy that you are at peace and in the presence of the angels and saints in your heavenly home. You were one of the gentlest souls I have ever had the privilege and pleasure of knowing. Your family was the salt of the earth and shared their humble service most generously.

I will miss the once a month phone calls to Bill" Bill would to ride w' me to the 4th Degree meeting"? I will miss these rides w/ Bill. Our conversations about pro=life, trains, his journeys to Notre Dame & then to Washington DC. His insight to certain things really opened my eyes to how great God is to make special people like Bill. Bill may the angels lead you into paradise because I know you did all things for the greater glory of God.

Kathy our sympathies to you and your family. Bill was a great friend to me and the Holloway staff. He was an invaluable member of the Holloway for Congress campaign team. He is the only person I know that read the Congressional Record. In fact, Cong. Holloway mailed his personal copy to Bill each week. In addition, as your neighbor, I enjoyed Bill's visits to talk Amtrak, Republican politics and pro-life strategies.

The Holloway staff always looked forward to Bill's annual pilgrimage to Washington, DC to attend the March for Life rally. We could count on his passionate encouragement to remain vigilant..

On behalf of Congressman Holloway and his staff, we salute Bill on a life well lived and send to you our deepest sympathies. He will be missed. The world lost a true patriot.

God Speed my friend.

From one Holy Cross Tiger to a fellow alumnus - we will miss you Bill. I always enjoyed our talks about The University of Notre Dame and German history. Your support of Pro-Life was encouraging. Rest in Peace my friend.
